Findings

- Compliant** [CATEGORY] Facilities

All bar Building REDACTED inspected. Some buildings are showing signs of wear, with outdoor exercise areas in particaulr being somewhat neglected. There are good plans for refurbishment. Building REDACTED has already been refurbished to provide group housing for rearing puppies with good visibility in pens meeting CoP. This will be the template for further refurbishment with Building REDACED currently a building site.

As space is used more efficiently in the new-style accommodatioon, there will be the opportunity to rationalise the buildings being used as LTH.

Very reasonable efforts are being made to maintain impervious and easily cleanable surfaces but this is a challenge for floors in the older buildings.
